

# DUA | TUA | DUA-ESD

## DUA-ESD SIRIUS Heavy Duty Electrostatic Dissipating

### Features

- Protects against electrostatic discharge that can be generated by transport
- Ohmic resistance is equal to or greater than  $10^5$  ohms but less than  $10^{12}$  ohms.
- Reduce the force needed for movement and reduce the vibrations during rolling
- Non-marking floor protective, quiet and smooth operation
