

# HPO

## HPO Heavy Duty Polyolefin

### Features

- 70 (±5) Durometer Shore (D)
- Heavy duty injection molded wheel
- Resistant to high shock, impact, chemicals and abrasion
- Resists water
- Offers superior strength compared to standard polyolefin wheels

Bearing Options	Part #
3/4 Roller	23
1/2 Q34 Precision Ball	38
1/2 Delrin	56
3/4 Delrin	57
